Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Sunday 16 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and heavy showers developing on Sunday.

Today:
A rather cloudy start with some patchy rain. Brightening up but scattered showers then turning heavier and perhaps thundery during the afternoon. Best sunshine then developing towards the north coast. Winds will be light. Maximum temperature 15 deg C (59 deg F).

Tonight:
Showers inland and in the south this evening soon dying out with clear skies extending from the north. Light winds and becoming chilly. Minimum temperature 3 deg C (37 deg F).

Monday:
A bright day with some sunny spells. Scattered showers breaking out from mid morning but these will be brief. Maximum temperature 15 deg C (59 deg F).

Outlook for Tuesday to Thursday:
Bright spells and showers on Tuesday and Wednesday. Cloudy with outbreaks of rain on Thursday.
